

Directions from Komatipoort Border to Maputo Marina

From the Lebombo border post (Komatipoort) continue with the EN4 to Maputo.

The first toll gate is M105 (payable in Meticals or ZAR).

Approximately 70kms from the border, at the 2nd traffic light, turn left towards Maputo.

The next toll gate is M20.5.

Carry on straight into Maputo and at the first traffic circle take the 3rd road left.

Continue with this road, veer left when it forks and at the T-junction and turn left into Avenida 25 de Setembro.

Continue through 4 traffic lights to the traffic circle.

The Maputo Marina is at 1/2 o'clock.

Take the second road left and immediately turn right across the island through the boom into the Maputo Marina.

On entering through the gate, preferably drive your car down the ramp to the jetty area and unload your luggage there. You can pay a small gratuity (say Mets 50 each) for 2 locals to help unload your car and to load the boat.

Park your vehicle and pay the R30/day parking fee to the officials.

The Maputo Marina restaurant is available to the right of the jetties for a good meal.

See AA recommendations list for border papers + car preparations.

To get to CLUB NAVAL, just continue along Av 25 de Setembro past the entrance to Maputo Marina, which becomes Av Da Marginal. The road follows the water and after approx. 1 km you will find CLUB NAVAL on your right. You can park outside, if there is a parking. Otherwise, offload all your luggage and passengers, drive back to Maputo Marina and park there, then catch a taxi to CLUB NAVAL. Taxi driver numbers can be obtained from Club Naval reception.
